

SANDRA LEHNIS

10 x 10
Pearls of Mallorca

2006 - 2008

' 10 x 10 ' | 'Pearls of Mallorca'

A serie of small works on paper which is growing since 2006.

10x10 are like pearls of Mallorca, each one painted in Alaró/Mallorca reflecting moments in my studio. These small works on paper grow like flowers in a tree while working on large size paintings.

Mixed media on paper, 10 x 10 cm, various titels (more than 80 pieces until today)
